

SPA Treatment of the Month

STEIRERHOF CREAM PACK

Particularly ideal for dry skin.

A skin revitalizing pre-treatment promotes blood circulation, after which a lotion-like mixture of a base cream with mare's milk and various body oils such as jojoba, almond and sesame oil is applied and the body is wrapped in fleece sheets. The warmth of the 37°C waterbed opens the skin pores even more and the body wrap with its valuable ingredients can be optimally absorbed.

Duration of treatment approx 30 minutes
at a special price of € 40 (instead of € 47)

Valid from August 1st to August 31st, 2024
