

SPA Treatment of the Month

HEALING CHALK PACK

Composed of healing chalks, healing earth and essential oils, this pack is particularly suitable for sensitive skin and strengthens the immune system. Due to its low pH level, healing chalk neutralises or lowers the pH level in the body preventing acidity that can occur especially in rheumatic illnesses. The heat of the water bed accelerates the absorption of the effective substances.

Duration of treatment approx 45 minutes
at a special price of € 42 (instead of € 48)

Valid from October 1st to October 31st, 2024
